Executive Summary: Webcognita LLC is a verified **SDVOSB / VOSB** technical consulting and software engineering firm led by **Alan Pruitt** (USMC & U.S. Army Counterintelligence Veteran, Google Cloud Certified Generative AI Leader, and Higher Education Faculty). We engineer Git-governed **Curriculum-as-Code (S-A-R: Scalable / Auditable / Repeatable)** pipelines, **ADA Title II / WCAG 2.2 AA (9:1) & WCAG 3.0 CI/CD** compilers, and **air-gapped Edge AI** architectures—serving as a **Non-Competing 50-State Enabling Resource** for **NSF TechAccess: AI-Ready America (NSF 26-508)** and **U.S. DOL ETA Advisory TEN No. 07-25** lead institutions.

CORE COMPETENCIES & TECHNICAL DELIVERABLES

- **Curriculum-as-Code (S-A-R) & Zero-Drift LMS Engineering:** Git-governed multi-course fleet compilers (`DOM GraphRAG` 3,265-node pedagogical graph, `W3C PROV–O` cryptographic provenance receipts, `W3C SKOS` bilingual ontologies, and `Canvas GraphQL /api/graphql` synchronization).
- **U.S. DOL ETA Advisory TEN No. 07-25 AI Literacy Framework:** Turnkey operationalization of all **5 Foundational AI Content Areas** and **7 Community College Delivery Design Principles** inside workforce, WIOA, and higher-education programs.
- **NSF TechAccess: AI-Ready America & K–16 Dual-Enrollment OER:** Non-competing 50-state technical readiness partner syndicating SHA-256 checksummed `$0 ZTC` OER packages (`KIN / HLTH` Dual-Namespace with 4-Tier `Schema.org/Dataset` & `LRMI educationalAlignment`).
- **Automated ADA Title II (28 CFR Part 35) & WCAG 2.2 AA (9:1) / 3.0 CI/CD:** Pre-commit accessibility linters and automated Canvas RCE remediation guaranteeing `0 Open Issues` across 419+ production HTML course pages.
- **Air-Gapped Sovereign Edge AI (NAICS 541512):** Zero-cloud-egress local inference running frontier open-weight models (**Google Gemma Argon 4** & next-gen **Carbon 4** on Apple Silicon M1/M2 via Ollama) for 100% FERPA, HIPAA, and OPSEC sovereignty.
- **Life Sciences R&D, Food Informatics & Desert AgTech (8 Live PWAs):** Production progressive web applications including `exwtoolkit.com`, `paga2018.dev`, `culinarycompass.dev`, `flavorarchitect.dev` (menu-to-gram reformulation), `mdtodocs.app`, and `agflow–roi–dash`.

KEY DIFFERENTIATORS & PRINCIPAL QUALIFICATIONS

- **Non-Competing 50-State Enabling Partner:** We never compete against universities, community colleges, or state consortia for primary grant awards—providing plug-and-play subaward implementation, faculty training, and open-source CI/CD infrastructure.
- **Cleared Counterintelligence & TSCM Security Pedigree:** Principal served as a **USMC & U.S. Army Counterintelligence Specialist** holding a **Defense Investigative Service (DIS) Top Secret / SCI-TK clearance**; led an elite 15-person **Technical Surveillance Countermeasures (TSCM)** unit in Northern Europe as **Team Chief** (1987–1989); awarded the **Navy Commendation Medal (Nov 1992)** for combatant command information/physical security in the Pacific AOR.
- **Google Cloud & R1 University Incubator Credentials: Google Cloud Certified Generative AI Leader (GAIL)**, **Google Gemini Certified Faculty**, **Google Cloud Launchpad for Veterans** member, and pro bono **Designated Campus Colleague (DCC)** at **The University of Arizona** School of Nutritional Sciences & Wellness (Yuma Campus).
- **Pre-ChatGPT AI Pioneer (Aug 2021):** Earned the national **2021 NADO Aliceann Wohlbruck Impact Award** for engineering a regional Comprehensive Economic Development Strategy (CEDS) manual using an early-stage GitHub open-source AI Co-Pilot model.
- **Bilingual (EN / Norteño-Spanish) HSI & Tribal Execution:** Battle-tested in Yuma, AZ / Imperial Valley, CA serving Hispanic-Serving Institutions (HSIs), tribal nations, and binational industry partners.

NAICS & FEDERAL PRODUCT SERVICE CODE (PSC) MATRIX

NAICS / PSC	Federal Designation	Verified Technical Scope & Production Artifacts
541511 (Primary) PSC: DA01, U008	Custom Computer Programming Services	Curriculum-as-Code & Compliance-as-Code compilers (S-A-R v2.2), 3,265-node DOM GraphRAG, W3C PROV-O provenance, Canvas GraphQL API engines, and `mdtodocs.app`.
541512 PSC: DJ01, U012	Computer Systems Design Services	Air-gapped Apple Silicon M1/M2 Edge AI (Google Gemma Argon 4 & Carbon 4), triple-hash `###` prompt isolation, Born-Accessible 9:1 4D XAI scorecards, and zero cloud PII egress.
541715 PSC: AN12	R&D in Physical, Engineering & Life Sciences	Clinical Framing Protocol (`Pattern / Rule / Solve`), kinesiology & culinary medicine telemetry (`exwtoolkit.com`, `culinarycompass.dev`, `flavorarchitect.dev` Food Informatics).
611710 & 541690 PSC: U008, R425	Educational Support & Technical Consulting	U.S. DOL TEN 07-25 & NSF AI-Ready America enabling implementation, 5-course `$0 ZTC` OER fleet (`KIN–101, HLTH–150, KIN–210, KIN–245, KIN–265`), ADA Title II & 5G AgTech ROI modeling.
